

T-SHIRT POLICY

The MCT Tour Actor/Directors may have show T-shirts available for sale. Proceeds from the sale of concessions are a part of the Tour Actor/Directors weekly income. This supplemental income helps maintain low residency fees. Presenter may not use MCT logos or photos to create T-shirts. A \$300 penalty shall be assessed if: 1) T-shirts are produced by Presenter or its agents using MCT logos or photos; 2) the MCT Tour Actor/Directors are prohibited from selling their T-shirts by Presenter. If Presenter has an in-house policy on commissions, the Tour Actor/Directors must be informed of that policy during their call on the Tuesday two weeks before the residency, so they may alter the prices accordingly. Commissions will not exceed 30% and will not apply if this notification is not given. MCT logos are copyrighted, and thus may not be reproduced on any items to be sold or distributed. Logos can be used for show program and advertising purposes only.
